First Announcement and Call for Papers

Michigan Section—MAA
Upper Peninsula Regional Meeting

October 1 and 2, 1999
(beginning 3 pm on Friday, ending noon on Saturday)
(Note: This is two weeks earlier than the previously announced date.)

West Science Building
Northern Michigan University
Marquette, Michigan

Featuring Principal Speakers

Dr. Richard Vitale
Professor, Department of Statistics
University of Connecticut
speaking on a new geometric method of data analysis

Dr. Dan Frohardt
Professor, Department of Mathematics
Wayne State University, and
Chair, Michigan Section—MAA
speaking on the mathematics of the Rubik's Cube and
a mathematician serving on a school board

Call for Papers: Anyone wishing to give a contributed talk, up to 30 minutes in length, should submit a title and short abstract to Sujay Datta, Department of Mathematics and Computer Science, Northern Michigan University, Marquette, MI 49855, (or send the requested information to him by E-mail at sdatta@nmu.edu). Tell how much time you need (in multiples of 5 minutes up to 30), and plan to hold to that time. Time limits must be carefully observed to hold to a tight schedule.

Details on the web: Updated announcements, including details about lodging, program schedule, etc. will be posted to the web at the URL
